For every new member that joins
we'll give you \$10!

Your family and co-workers
are eligible for membership at
Acclaim FCU.

By now, you've already experienced the excellent service provided by your credit union. Isn't it true, when you find a good thing you want to share it with those who are closest to you...like family and co-workers? How would you like to get paid for doing just that?

Now you can, when you refer your family member or co-worker to open an account with us. But wait—here's the best part. **When they open a NEW account with us, you will both receive \$10!** Now everyone you care about can experience our great service and establish their own long and trusting relationship.
